**DATES:** February 27 & 29, 2024

**TIME:** 2:00PM - 3:30PM EST each day - *virtual*

**FREE/Advance registration required/You may attend 1 or 2 days**

**Click on the registration link for speaker updates**

**February 27, 2024**

**2:00PM - 3:30PM EST**

### Cross-Border Mobility & Immigration Issues - U.S. & Canada

- Featuring U.S. & Canadian immigration officers, this session provides guidance on best practices & requirements for business travelers

### Sending De minimis Shipments to the U.S./Entry Type (ET) 86 /Section 321

- This session has updates/new information for sending Section 321 or Entry Type 86 de minimis shipments into the U.S. These eCommerce shipments must meet certain qualifications (e.g., valued at \$800 or less) and are not subject to duties and taxes

**REGISTER HERE**

**February 29, 2024**

**2:00PM - 3:30PM EST**

### Preventing Forced Labor in Your Supply Chains/Compliance

- USCBP continues to increase its efforts to prevent goods made from forced labor from entering the U.S. via enforcement of the Uyghur Forced Labor Prevention Act (UFLPA). This session provides an overview/guidance for supply chain compliance for goods entering the U.S.

### CTPAT Overview & Updates

- Customs Trade Partnership Against Terrorism (CTPAT) is a CBP program that strengthens international supply chains and improves border security. Updates & new developments will be shared
