June 5, 2025

Hello,

As communicated on April 28, 2025, the Ministry of Transportation provided an extension for all Ontario International Registration Plan (IRP) registered carriers with plates expiring between March 31, 2025, and May 31, 2025, so that they will remain valid through to June 30, 2025. Please be advised that no further IRP registration extensions will be provided.

We encourage all IRP registered carriers with renewals that expire between March 31, 2025, and June 30, 2025, to submit their renewal applications as soon as possible. All IRP applications are now being processed within the service commitments posted at [International Registration Plan | ontario.ca](https://www.ontario.ca/page/international-registration-plan).

Timely submission will allow ServiceOntario adequate time to review and process renewal applications by the end of June.

As a reminder, carriers can submit their IRP renewal applications to **ServiceOntario IRP Processing** via the following channels:

- Online at www.ontario.ca/page/international-registration-plan (recommended)
- By email at IRPProcessing@ontario.ca
- By fax at 416-235-3924 or 1-866-587-6771 (within Ontario)
- By mail/courier to the attention of (please send to the closest/most cost-effective location):

IRP Processing
447 McKeown Ave, Unit 111
North Bay, ON P1B 9S9

IRP Processing

In the event of a Canada Post strike, we encourage carriers to submit their IRP renewal applications online or by email. Carriers submitting hard copies of their renewal applications should send the material by courier only until normal Canada Post delivery times are restored.

If you have any questions, carriers can contact the IRP contact center Monday to Friday, from 8:30 a.m. to 5 p.m. at 1-833-941-4528 (toll-free in Canada and the U.S.) or by email at IRPProcessing@ontario.ca.

We appreciate you sharing this information with your members.

Thank you,
